

11th Edition of International Conference on Biofuels and Bioenergy scheduled during March 23-24, 2020 in London, UK

Thilivhali Eugene Rasimphi

Department of Ecology and Resource Management, School of Environmental Sciences, University of Venda, South Africa, E-mail:
eugenethilivhali@yahoo.com

Biofuels and Bioenergy is the branch of Chemical Engineering that is involved in the study of Fuels and energy. Biofuels may be derived from agricultural crops, including conventional food plants or from special energy crops.

Would like to brief you regarding the Student Ambassador opportunity (Young Research Forum) as slated earlier:

Duties/ Roles:

1. To gather fellow colleagues and educate them regarding the upcoming conference
2. Provide sources from where we can anticipate active participation
3. Encourage University Professors to participate and share their insights
4. Distribute promotional material in respective Universities/ Labs/Institutes.

Benefits:

1. Opportunity to attend one conference per year with good discounts on registration fees
2. Opportunity to publish your manuscripts with discounts
3. Student Ambassador Certification
4. Will be featured on our conference website as a Student Ambassador

Dr. Rasimphi T.E from **Department of Ecology and Resource Management, School of Environmental Sciences, University of Venda, South Africa** Relevance of biogas technology to Vhembe district of the Limpopo province in South Africa" and **Ms. Jinghui Liang**, from **MSCA-FIRE PhD Fellow, University of Bath, UK**, to present a session on "Tackling Carbon Catabolite Repression in *Parageobacillus thermoglucosidasius*"

Join us to witness invaluable scientific discussions and add to the future advancements in the field of [Biofuels and Bioenergy](#) in the upcoming "11th Edition of International Conference on Biofuels and Bioenergy" which is going to be held during March 23-24 2020 in

London, UK.
