

Past Conference Report _ Medicinal Chemistry 2020

We want to thank you all our wonderful keynotes, speakers, conference delegates, students, associations, media partners and guests for making Chemistry 2019 a successful event.

Allied Academies hosted the event “**CPD Accredited 9th World Congress on Chemistry and Medicinal Chemistry** on **May 13-14, 2019 at Prague, Czech Republic** at Panorama Hotel, Prague.

Talks and discussion concentrated on the subject of “**Current Advancements in Chemistry and its Applications in Medicinal Chemistry**” and it was an extraordinary achievement where prominent keynote speakers from different presumed associations and colleges made their brilliant nearness and tended to the social affair.

AAC might want to pass on a warm appreciation to the session chairs/co-chairs and session speakers who made this meeting more useful and successful to the researchers, educators, investigate researchers, postgraduate and graduate understudies, and delegates from Chemistry department met there.

The understudies and young researchers from different nations went to and vie for Best Student Oral Award.

The meeting engrossed a vicinity of comprehensive discussions on novel subjects like Medicinal Chemistry, Pharmaceutical Chemistry, Clinical Chemistry, Nano Science and Materials Chemistry and many more from across the globe, it held with the discussions on Chemistry, and Medicinal Chemistry.

The conference was embarked with an opening ceremony followed by Keynote sessions and followed by series of lectures delivered by members of the Keynote forum. The adepts who promulgated the theme with their exquisite talk were:

Medicinal Chemistry Conference is specifically premeditated with a unifying axiom providing the pulpit to widen the imminent scientific creations.

Let us meet again @ 9th International Conference on Clinical Chemistry and Laboratory Medicine | Medicinal Chemistry 2020 | Mar 25-26, 2020 in Amsterdam, Netherlands
